Dear Fellow Koinonians,

In just a few weeks the team for NK-59 will begin meeting in preparation for the spring weekend, April 27-29. What an exciting and busy time!

My verse for the weekend is: *Psalm 141:3 (NIV)*

*"Set a guard over my mouth, LORD; keep watch over the door of my lips."*

I struggled with finding just the "right" verse. As if there was a wrong one! God led me to this one as I was going through a devotional, trying to find the "right" verse. As the preparations for the weekend have progressed, it has been central to the unfolding theme.

I want to extend an open invitation to the Koinonia community to join us Sunday, April 22, for the Palanka Party and Team Dedication, and Sunday, April 29, for Mananitas. The more, the merrier! Our Home Team will be sharing more information regarding these two events so be looking for that. I hope to see you there!

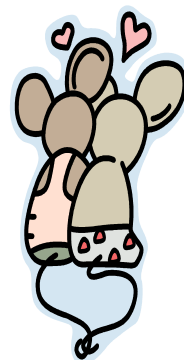

I also ask that you keep the team, and the participants who will be joining us on the mountain, in prayer. One of the greatest blessings we can bestow upon one another is that of prayer.

Blessings to all!  
Tobi
