NK 62

Rainbow Connection

Hello dear Koinonia brothers and sisters,

Already another blessed Koinonia weekend (NK-62) is nearly upon us, April 25, 26, & 27, and preparations are well under way. I am feeling so honored that you have trusted me to be the Lay Leader and I have been praying regularly that I put together a team and a weekend that is fully to honor God and His greatness. My verse for the weekend is:

1 John 3:18, "Dear Children let us not love with words or speech but with action and in truth."

This verse came to me very clearly while I was listening to a wonderful sermon by our own Louise Cordova. All at once, as she was speaking, things clicked into place for me and I knew this was the verse God wanted me to choose. Working in a school under the scrutiny of little eyes has reminded me that we are always being watched by others and that people see and remember what we do more than we will ever know. For this reason I feel this verse is important. It serves as a crucial reminder to all of us to live as kindly as we can and with as much love and compassion as possible.

I would like to invite each of you to join us for the Team Dedication and Palanka Party on Sunday, April 13 at the United Methodist Church at 6th and Grant in Loveland. I also extend an invitation for Reso d Sabado ("Saturday Prayer") Saturday evening and Sunday morning April 26 and 27 at the camp. And of course you are also invited to Mananitas on Sunday the 27th!

I ask you to wrap this NK-62 weekend in prayer as we continue to prepare to serve God and His glory to the best of our abilities. *Lord, I ask that you make each of us a blessing to someone today and continue to shower your blessings on each and every person involved in this special weekend. All glory is yours and I ask, Lord, that you help all the pieces continue to fall into place as you want them to. Please help us find the participants who are most in need of a Koinonia experience and seeing you as only we know how to show you to others. It is in your name we give praise! AMEN!!*

With love and gratitude, Kristen Brumfield

Dear fellow Koinonians,

In January of this year, the Northern Colorado Koinonia Continuance Board said farewell to several wonderful, dedicated members and welcomed several people into new positions. We are excited to begin a new year and look forward with great anticipation to the upcoming weekend this April and the lives that will be impacted through the ministry of Koinonia. I can vividly recall many moments on my participant weekend that were deeply moving. They are among the many reasons that I continue to serve with Koinonia 11 years later.

As we move forward into 2014, we are seeking individuals to fill three positions on the Board that remain vacant at this time. The requirements are simple; a heart to serve others and a desire to share the truth and love of Christ. These positions include Membership Coordinator, Property Coordinator and Secretary. I have provided brief bullet points regarding each position below.

I know we are all busy and life can be crazy at times but I encourage you to prayerfully consider this opportunity. The time commitment is minimal and new member training is provided. The Board meets 4-5 times per year, for approximately two hours. We are very considerate of each others time. Our next meeting will be in May, following the completion of the spring weekend. This is a great opportunity to learn more about Koinonia, to reconnect with Koinonia and to serve others in a new and exciting way. *Won't you please consider joining us?*

Please feel free to contact me or any member of the Board to further discuss these opportunities.

In Christ,

Tobi Vegter

Chairperson

Secretary

- Coordinate storage of Koinonia supplies.
- Ensure that Wardens inventory boxes following each weekend and that inventory sheets are updated and copies go to: Lay Leader, Property Coordinator and Chairperson.

- Maintain database of current and past Koinonia members and distributes the list periodically. Provides this list at each weekend and also roster of new Koinonians on each weekend. (Database is already created).

On the Koinonia weekend, provides the Wardens with letters from other Koinonia groups who have written to express support.

We also have a new web page! It is so new it is not complete yet. We will add updated information continually about Ultreyas, weekends, and board positions, etc. It is nckoinonia.org
